#### Conclusion

A. Regarding your Missionary Faith Promise today:

- 1) Please put down a yearly total
- 2) Please sign your name (only the Pastor and bookkeeper will really look at it)
- 3) Tear off at perforation and keep the smaller portion as a reminder

B. Last year our Assemblies of God churches gave \$ 207,663,015 to world missions efforts. Those efforts resulted in 2,997,108 eternal souls being saved and added to the Church of Jesus Christ! That means that one soul was saved and added to the overseas church for every \$ 69.28 given to missions. While God has already put a price tag on an eternal soul (the blood of His Son, Jesus Christ), this statistic does give us an idea of the kind of impact we can have for eternity as well. Please notice the difference a monthly commitment can make:

\$ 25/month = \$300/yr = 4 souls saved	\$200/month = \$2,400/yr = 35 souls saved
\$ 50/month = \$600/yr = 9 souls saved	\$300/month = \$3,600/yr = 52 souls saved
\$ 75/month = \$900/yr =13 souls saved	\$400/month = \$4,800/yr = 69 souls saved
\$100/month = \$1,200/yr =17 souls saved	\$500/month = \$6,000/year = 87 souls saved
\$150/month = \$1,800/yr =26 souls saved	\$1,000/month = \$12,000/year =173 souls saved
